## FINAL APPROVAL ORDER

**WHEREAS**, on February 28, 2024, a Preliminary Approval Order was entered by the Court preliminarily approving the proposed Settlement pursuant to the terms of the Settlement Agreement between Plaintiff Fred Wallin and Defendant Naturelo Premium Supplements LLC, and directing that notice be given to the Settlement Class (Dkt. 33);

**WHEREAS**, pursuant to the notice requirements set forth in the Settlement Agreement and in the Preliminary Approval Order, the Settlement Class was notified of the terms of the proposed Settlement, of the right of members of the Settlement Class to opt out, and of the right of members of the Settlement Class to be heard at a Final Approval Hearing to determine, inter alia: (1) whether the terms and

conditions of the Settlement Agreement are fair, reasonable and adequate for the release of the claims contemplated by the Settlement Agreement; and (2) whether judgment should be entered dismissing this Action with prejudice;

**WHEREAS**, prior to the Final Approval Hearing, a declaration of compliance with the provisions of the Settlement Agreement and Preliminary Approval Order relating to notice was filed with the Court as prescribed in the Preliminary Approval Order, and Class Members were therefore notified of their right to appear at the Final Approval Hearing in support of or in opposition to the proposed Settlement, the award of Attorney's Fees and Costs to Class Counsel, and the payment of an Incentive Award;

**NOW, THEREFORE**, the Court having heard the presentation of Class Counsel and counsel for the Defendant, having reviewed all of the submissions presented with respect to the proposed Settlement, having determined that the Settlement is fair, adequate and reasonable, having considered the Attorney's Fees and Cost application made by Class Counsel and the application for an Incentive Awards to the Settlement Class Representatives, and having reviewed the materials in support thereof, and good cause appearing;

THIS COURT FINDS AND ORDERS AS FOLLOWS:

1. The capitalized terms used in this Final Approval Order shall have the same meaning as defined in the Settlement Agreement, except as may otherwise be indicated.

2. The Court has jurisdiction over the subject matter of this Action and over all claims raised therein and all Parties thereto, including the Settlement Class, and venue is proper.

3. The Court hereby approves the Settlement, including the plans for implementation and distribution of the settlement relief, and finds that the Settlement is, in all respects, fair, reasonable and adequate to the Class Members, within the authority of the Parties and the result of extensive arm's-length negotiations. In reaching this conclusion, the Court considered the factors set forth in Fed. R. Civ. P. 23(e)(2): (A) the class representatives and class counsel have adequately represented the class; (B) the proposal was negotiated at arm's length; (C) the relief provided for the class is adequate, taking into account: (i) the costs, risks, and delay of trial and appeal; (ii) the effectiveness of any proposed method of distributing relief to the class, including the method of processing class-member claims; (iii) the terms of any proposed award of attorney's fees, including timing of payment; and (iv) any agreement required to be identified under Rule 23(e)(3); and (D) whether the proposal treats class members equitably relative to each other.

4. The Parties shall effectuate the Settlement Agreement in accordance with its terms. The Settlement Agreement and every term and provision thereof shall be deemed incorporated herein as if explicitly set forth and shall have the full force of an Order of this Court.

5. The Settlement Class, which will be bound by this Final Approval Order and Judgment hereon, shall include all members of the Settlement Class who did not submit timely and valid requests to be excluded from the Settlement Class.

6. The two persons identified in Exhibit H to the declaration from the settlement administrator are hereby excluded from the Settlement Class.

7. For purposes of the Settlement and this Final Approval Order, the Court hereby certifies the following Settlement Class:

All persons residing in the United States of America who purchased the Supplement, during the Class Period.

8. The Court readopts and incorporates herein by reference its preliminary conclusions as to the satisfaction of Rules 23(a) and (b)(3) set forth in the Preliminary Approval Order and notes again that because this certification of the Settlement Class is in connection with the Settlement rather than litigation, the Court need not address any issues of manageability that may be presented by certification of the class proposed in the Settlement.

9. For purposes of Settlement only, Plaintiff is certified as Class Representative of the Settlement Class and Class Counsel is appointed counsel to

the Settlement Class. The Court concludes that Class Counsel and the Class Representative have fairly and adequately represented the Settlement Class with respect to the Settlement.

10. Notwithstanding the certification of the foregoing Settlement Class and appointment of the Class Representative for purposes of effecting the Settlement, if this Order is reversed on appeal or the Settlement is terminated or is not consummated for any reason, the foregoing certification of the Settlement Class and appointment of the Class Representatives shall be void and of no further effect, and the parties to the proposed Settlement shall be returned to the status each occupied before entry of this Order without prejudice to any legal argument that any of the parties to the Settlement might have asserted but for the Settlement.

11. The Court finds that the plan for Notice effectuated pursuant to the Preliminary Approval Order was the best notice practicable under the circumstances, was reasonably calculated to provide and did provide due and sufficient notice to the Settlement Class of the pendency of the Action, certification of the Settlement Class for settlement purposes only, the existence and terms of the Settlement Agreement, and of their right to object and to appear at the Final Approval Hearing or to exclude themselves from the Settlement, and satisfied the requirements of the Federal Rules of Civil Procedure, the United States Constitution, and other applicable law.

12. The Settlement Agreement is, in all respects, fair, reasonable and

adequate, is in the best interests of the Settlement Class, and is therefore approved.

13. All persons who have not made their objections to the Settlement in the manner provided in the Settlement Agreement are deemed to have waived any objections by appeal, collateral attack, or otherwise.

14. The cash distributions provided for in the Settlement Agreement shall be paid to Settlement Class members, pursuant to the terms and conditions of the Settlement Agreement

15. Without further order of the Court, the Parties may agree to reasonably necessary extensions of time to carry out any of the provisions of the Settlement Agreement.

16. Upon the Effective Date, members of the Settlement Class who did not validly and timely opt-out shall, by operation of this Final Approval Order, have fully, finally and forever released, relinquished and discharged the Released Parties from the Released Claims as specified in the Release set forth in Section V of the Settlement Agreement and the July 29, 2024, Stipulation and Agreement Between the Parties, which is incorporated by reference herein in all respects.

17. Plaintiff and each Settlement Class Member are hereby permanently barred and enjoined from filing, commencing, prosecuting, maintaining, intervening in, participating in, conducting or continuing, either directly or in any other capacity, any action or proceeding in any court, agency, arbitration, tribunal or jurisdiction,

asserting any claims released pursuant to the Settlement Agreement, or seeking an award of fees and costs of any kind or nature whatsoever and pursuant to any authority or theory whatsoever, relating to or arising from the Action and/or as a result of or in addition to those provided by the Settlement Agreement. In addition, Plaintiff and each Settlement Class Member are hereby enjoined from asserting as a defense, including as a setoff or for any other purpose, any argument that if raised as an independent claim would be a Released Claim.

18. The terms of the Settlement Agreement, this Final Approval Order and the Judgment to be entered hereon shall have maximum res judicata, collateral estoppel, and all other preclusive effect in any and all claims for relief, causes of action, suits, petitions, demands in law or equity, or any allegations of liability, damages, debts, contracts, agreements, obligations, promises, attorney's fees, costs, interest or expenses which were or could have been asserted in the Action or are in any way related to the Action.

19. The above-captioned Action, including all individual claims and class claims presented herein, is hereby dismissed in its entirety with prejudice. Without affecting the finality of this Final Order in any way, the Court reserves jurisdiction over all matters relating to the interpretation, administration, implementation, effectuation and enforcement of this Order and the Settlement.

**IT IS SO ORDERED.**
